

Now you know what we're about, we're guessing your next question is...

How much then?

Glad you asked! A place on NCS is worth £1,500 - BUT we're government-funded. So we ask for a contribution.

The most you'll pay for NCS is £50. That covers accommodation, transport, meals (during residential weeks), activities AND equipment. Good, right?

Bursaries are also available and support can be provided for young people with additional needs - just let us know.

When is it?

We have loads of dates to choose from, but they do fill up. To get the dates that work best for you (and your family), get yourself registered, like now...

A photograph of two young women participating in a rope climbing activity. They are wearing safety helmets (one orange, one white) and harnesses. They are smiling and looking down. The background shows a clear blue sky and some green foliage at the bottom. The image is partially obscured by a large, stylized graphic of the word 'No' in white with a black outline, which is part of the 'No We Can' slogan.

No this summer?
