

Find my Future in Construction

- If you are aged 16-25 and living in Salford, we offer FREE training if you are unemployed, not in education or training (NEET):
- Supporting you to progress into education and training
- Work towards a career in the construction industry
- Sector specific training including Health and Safety & CSCS Card
- 4 weeks training with the chance of a 2-week work placement
- Visits from well known employers in the construction industry
- We will also support you to improve your confidence and motivation, emotional and mental wellbeing and money skills.
