

Safe in Salford – Privacy Notice Information

Who we are

Safe in Salford is a partnership of four charities who have over 140 years' experience of delivering services to people in Salford and the surrounding boroughs. At the heart of our partnership lies a commitment to listening and responding to the experiences of victims and to working collaboratively to create sustainable change with individuals, families and communities.

The four charities who make up the partnership are:

Salford Foundation

Trafford Domestic Abuse Services

Pankhurst Trust

TLC: Talk, Listen, Change

The partnership is commissioned by Salford City Council, Salford NHS Clinical Commissioning Group and Greater Manchester Police. The partnership aims to transform and improve how domestic abuse services are designed, delivered and evaluated in Salford – to improve outcomes for those impacted and affected. Our vision is that through awareness raising, education, 1:1/group support, safety planning and practitioner training, the partnership will increase safety and recovery from harm.

Each Safe in Salford partner has their own privacy notice available via the links below:
