Chief Executive's Christmas Message

This time of year helps us to reflect on what challenges we've overcome during the course of the last year and it gives us pause to celebrate our achievements. For many of us, it will be the chance to 'down tools' and spend some quality time with friends and family. Hopefully, it's also a chance to take stock of all that we have to be thankful for in our lives.

The people we support at Salford Foundation may not have as many things to be thankful for or the support networks to celebrate and spend quality time with. For many, Christmas is a stressful time of added expense, expectation or loneliness. That's why this year we are asking you to be a Salford Foundation 'Secret Santa' by making a text donation towards our Christmas campaign.

● The more support you give Salford Foundation the more people we can help.

Find my Future in Construction

Kyle's Experience

Kyle attended school but had challenges in his home life. He decided to attend the Salford Foundation "Find my Future in Construction" (FmF) programme. Kyle engaged well from day one and got actively involved in developing his skills with additional activity with our men's services centre 'The Shed'. This included doing DIY tasks. Kyle also went along with the 'Find my Future' group to watch a live demolition; this was supported by Kenny Waste Management.

Keepmoat another of our corporate partners are among the construction businesses who are supporting NEET young people into employment through work experience opportunities. Keepmoat came to visit the FmF class and were so impressed with Kyle they have offered him a work placement straight after the course.

Find my Future is funded through The Prince's Trust, whose aim is to support young people from disadvantaged and underprivileged backgrounds by enabling them to access training.

If you are an employer and are interested in supporting 'Find my Future' or a potential referrer to the programme, please get in touch with Jonathan or Diane at findmyfuture@salfordfoundation.org.uk

Going for Gold

A huge thank you to Kathryn Prayle one of our Salford Foundation Trustee's and Head of Finance – Business Unit Control Function at Bupa Global & UK.

Not wanting to have too light a challenge, Kathryn completed all three London, Manchester and Liverpool marathons in the month of October.

Kathryn we are all grateful for your continued support as a Trustee and your fundraising efforts. Here's our Gold medal to say thank you on behalf of our beneficiaries.

Thank you to Bupa Foundation for match funding Kathryn's fundraising.
