Impact 25 Report 26

Our Impact

We helped

11,743

young people & adults tackle disadvantage
and change their lives

Mel Goddard
Chief Executive Officer

“This year we have continued to tackled disadvantage and change lives in our communities. By working together, we can achieve greater impact and make a real difference.”

Tackling disadvantage

8,148

people improved health & wellbeing

460

benefiting from energy advice

956

people with improved financial literacy

648

people supported to achieve better housing

2,754

Male service user (homeless prevention)

Changing lives

2,805

adults supported

8,938

children & young people supported

18

projects & services

3,388

indirect beneficiaries supported
(family & household members)

“I’m really proud of how far I have come.

My confidence has grown so much and I’m able to deal with things a lot better. I’ve met a great bunch of women, and these friendships will continue after my probation ends.” **Women’s centre service user**

Best start in life

748

young people supported
with school transitions

351

young people mentored

9,695

young people developed life,
social & communication skills

427

young people receiving healthy
relationship support

534

people benefiting from family
or parenting support

“It was good that we got to take part because we have been through the transitions ourselves, so we could relate to the year 6's experience”

Year 8 Pupil (peer mentor)

Working futures

8,585

people improved employability,
education, or training

187

Employment service user

Safe & strong communities

2,387

people kept safe
from harm

2,023

people supported to
tackle domestic abuse

835

people supported to
reduce their offending

81

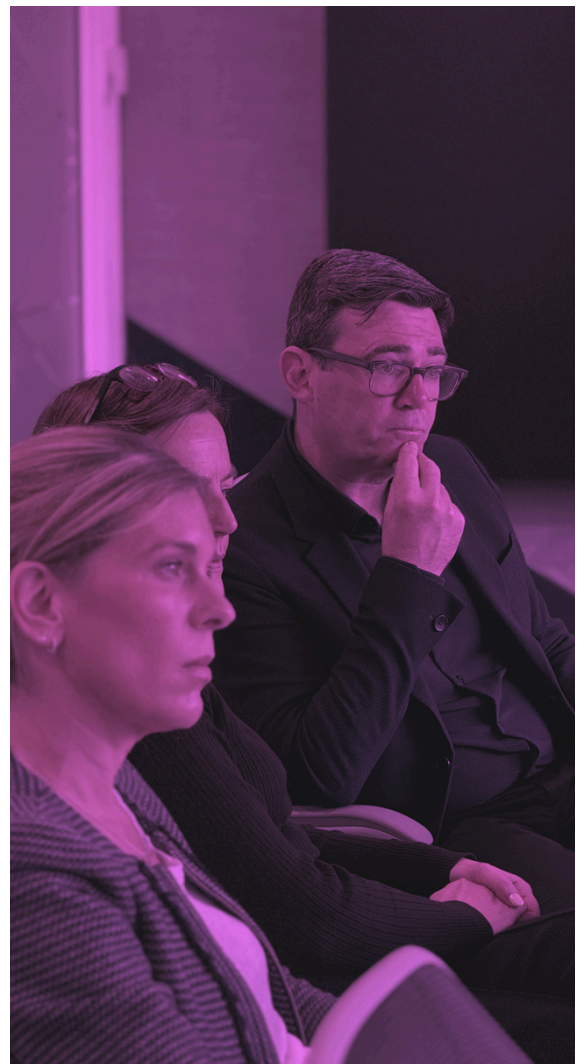

boys educated on
healthy relationships

“Indigo has helped me to see that I was the victim, not him. It has given me strength and shown me that I don’t deserve to be treated this way.”

Domestic abuse service user

Partnerships

“The fact that I’m able to do something that I’m really passionate about and see those impacts has been really valuable to me.”
