best friend Kaylee**

A pixel art illustration of a park scene. In the foreground, two characters stand on a purple brick path. On the left is a female character with long brown hair, wearing a tan jacket and blue pants. On the right is a male character with short brown hair, wearing a red t-shirt and grey pants, with his arms raised in a happy gesture. Behind them is a large green tree with a dark brown trunk. To the right of the tree is a wooden park bench with four horizontal slats. The background features a bright blue sky with several large, stylized clouds in shades of light blue and purple, and three yellow four-pointed stars. A yellow speech bubble with a black border is positioned in the upper middle of the scene, containing the text.

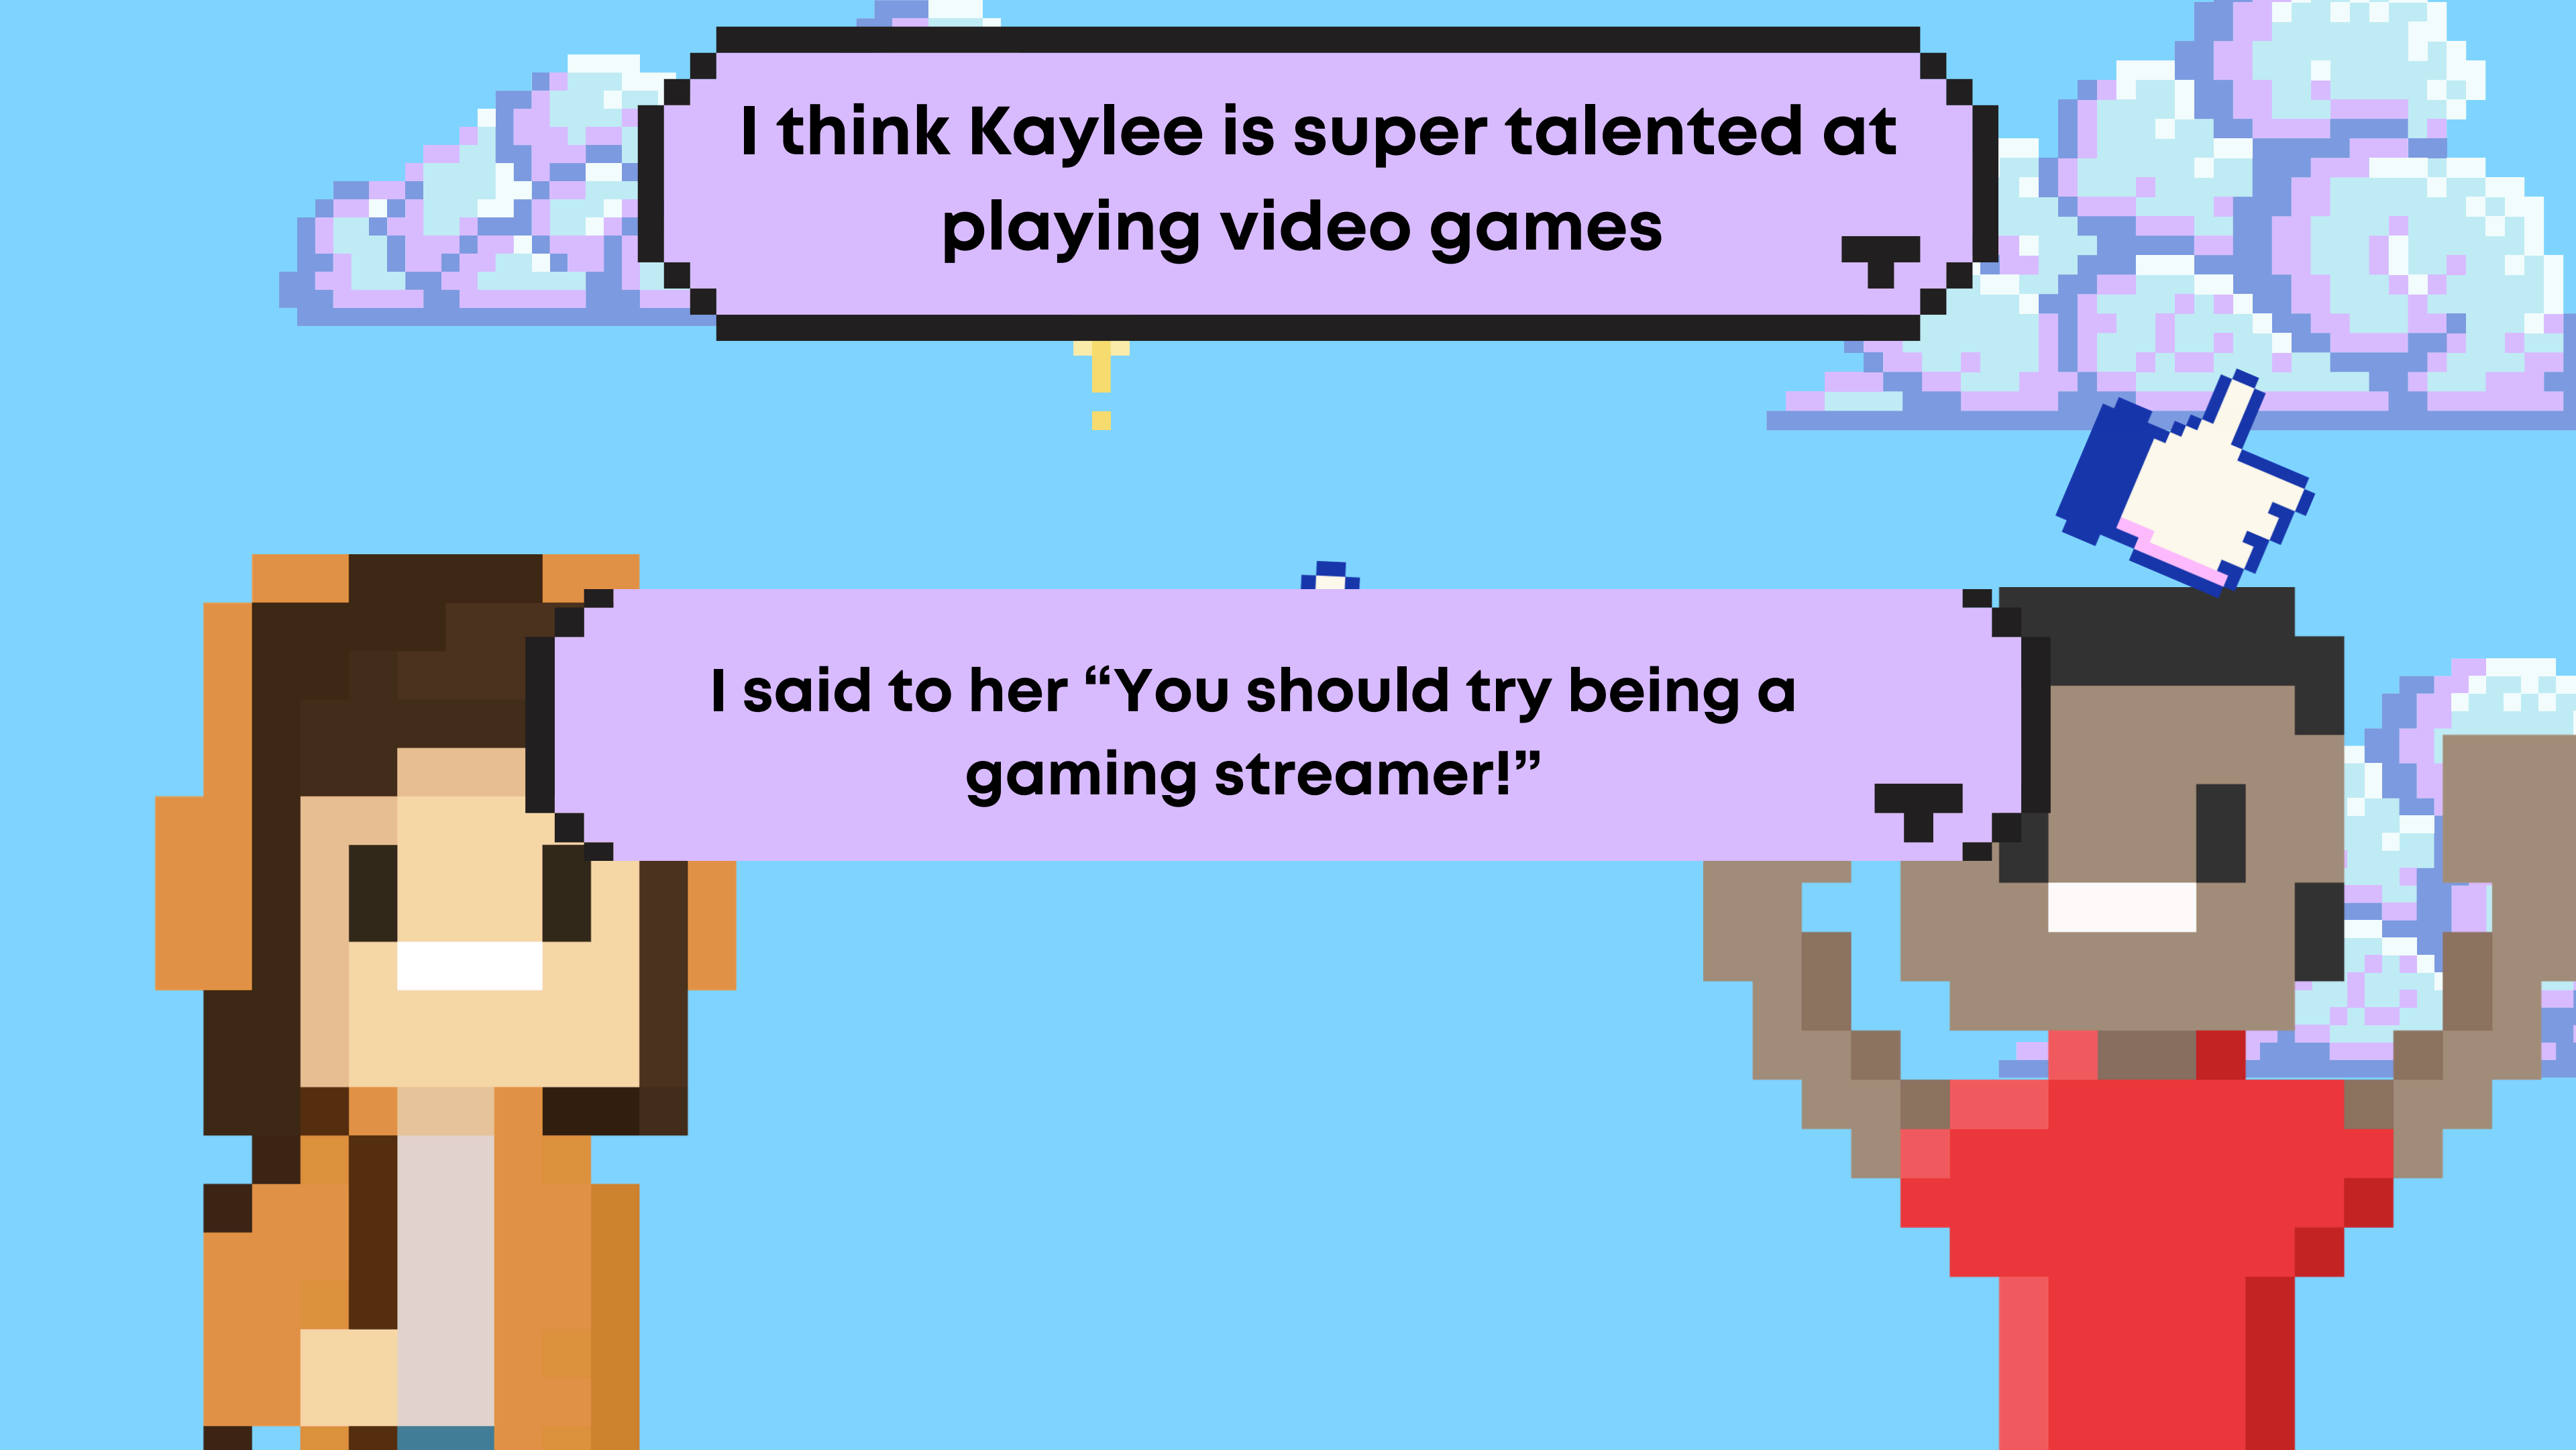

**We've known each other since
primary school**

**We both enjoy playing video games
on PC**

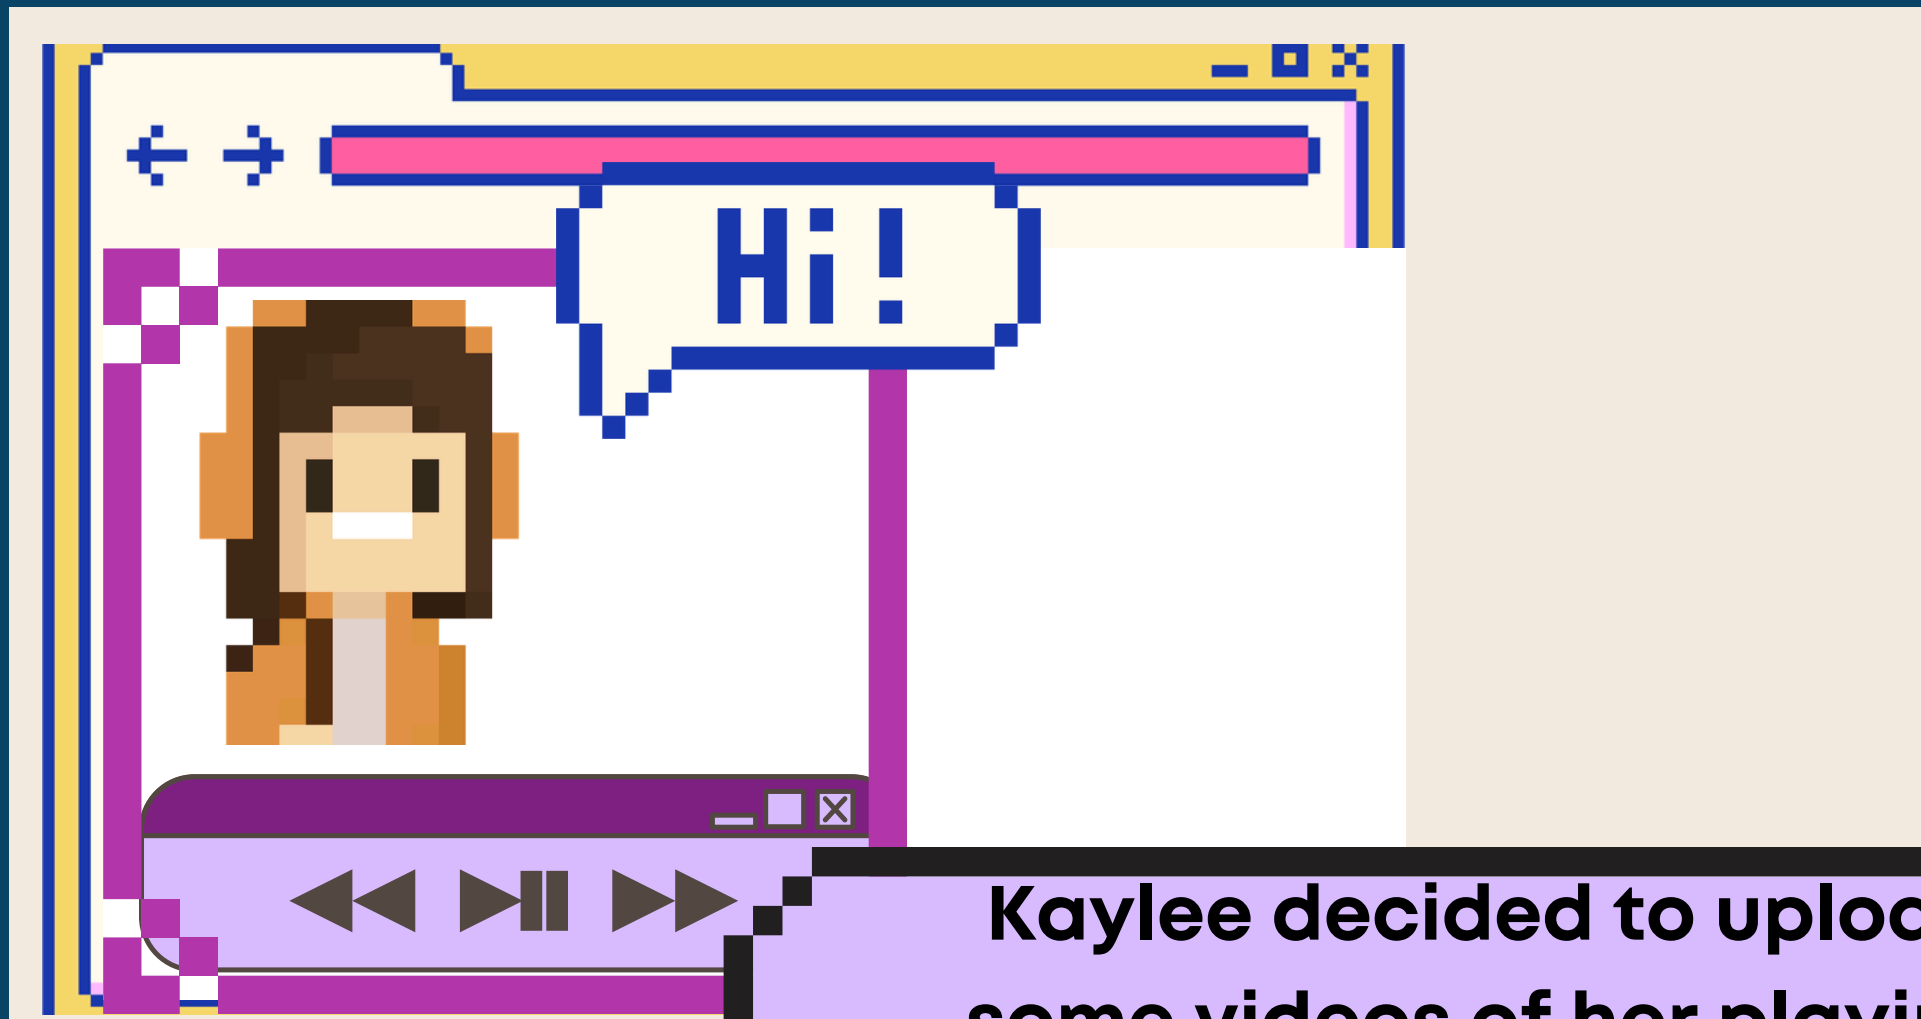

I think Kaylee is super talented at playing video games

I said to her “You should try being a gaming streamer!”

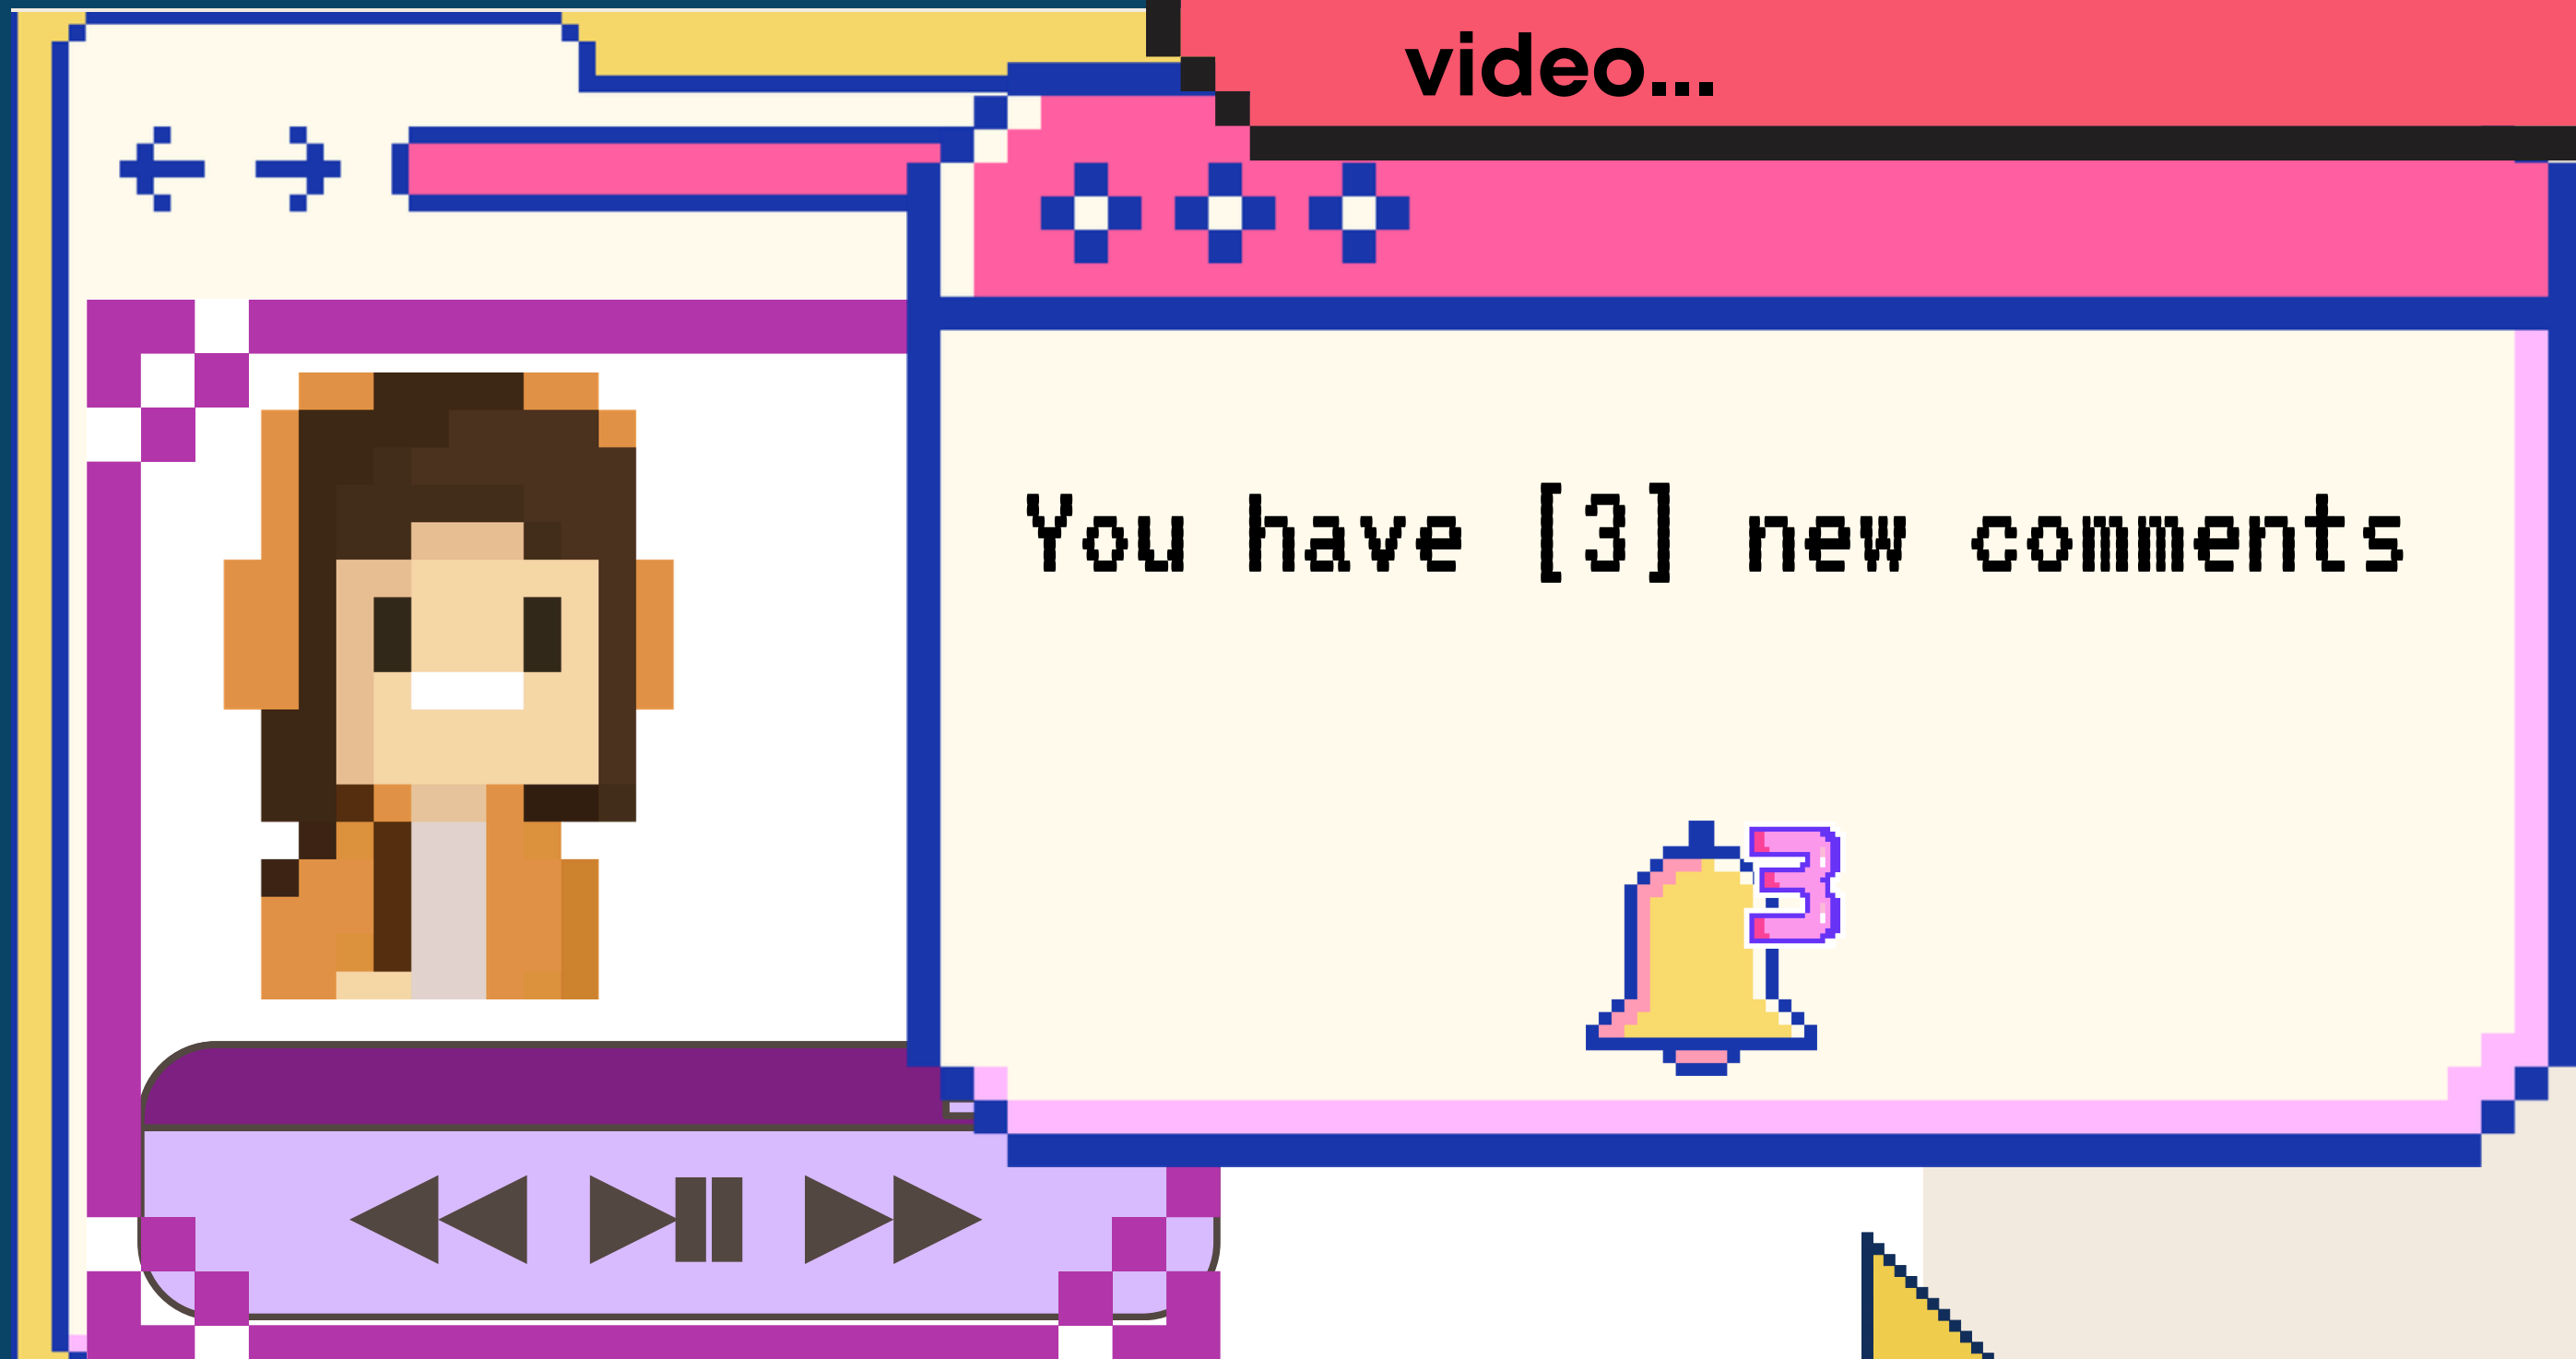

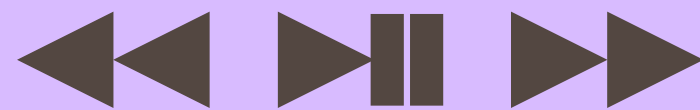

Kaylee decided to upload some videos of her playing games to Youtube

She said she felt happy as she was sharing her favorite hobby with others

The next day, Kaylee got some comments on her video...

GreenGuy1234: You girls can't do ANYTHING right! I'll show you how REAL gamers do it!

GreenGuy1234: Just shut up! I hate hearing ugly females talk.

**After school, Kaylee showed me the comments.

Upset and scared

Worried about going online

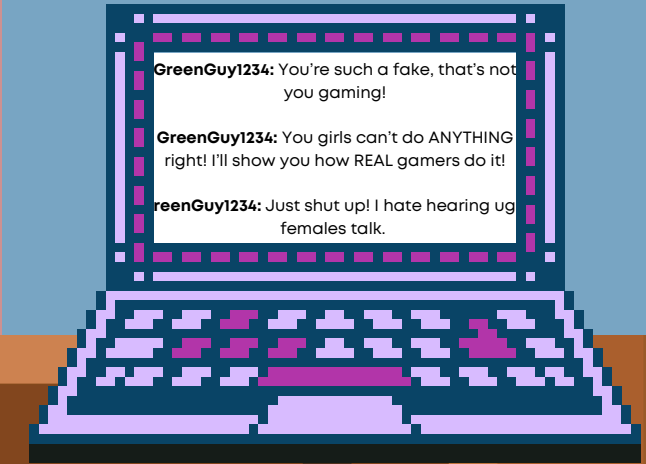

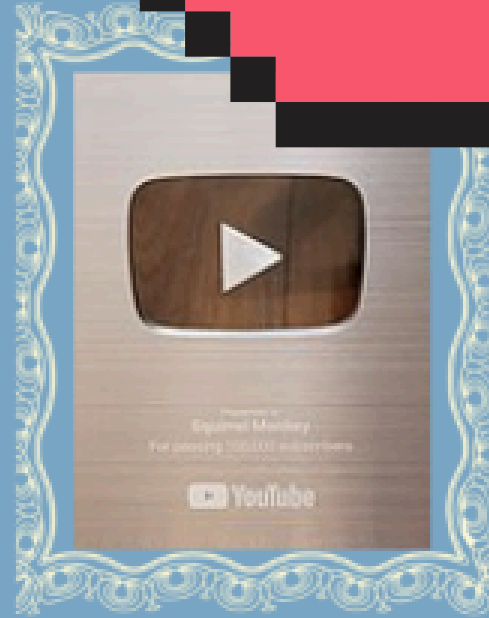

Like she would never play
video games again

I can't believe this happened, it's awful to hear Kaylee's upset. What should I say to her?
